

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the www.energypiping.com and Energy Piping, Inc. and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Energy Piping, Inc. include www.energypiping.com and Energy Piping. The Energy Piping website is a news and information site. By using the Energy Piping website, you consent to the data practices described in this statement.

Collection of your Personal Information

Energy Piping may collect personally identifiable information, such as your name. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by Energy Piping. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Energy Piping website.

Energy Piping encourages you to review the privacy statements of websites you choose to link to from Energy Piping so that you can understand how those websites collect, use and share your information. Energy Piping is not responsible for the privacy statements or other content on websites outside of the Energy Piping website.

Use of your Personal Information

Energy Piping collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Energy Piping may also use your personally identifiable information to inform you of other products or services available from Energy Piping and its affiliates. Energy Piping may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Energy Piping does not sell, rent or lease its customer lists to third parties.

Energy Piping may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Energy Piping, and they are required to maintain the confidentiality of your information.

Energy Piping will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Energy Piping or the site; (b) protect and defend the rights or property of Energy Piping; and, (c) act under exigent circumstances to protect the personal

safety of users of Energy Piping, or the public.

Security of your Personal Information

Energy Piping secures your personal information from unauthorized access, use or disclosure.

Children Under Thirteen

Energy Piping does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.
